FOUR MEN ARE SENTENCED TO COUNTY JAIL

Four men were given jail sentences by the Adams County court this morning.

Manuel D. N. Ramos, 27, of Waynesboro and Florida, was sentenced to 45 days in jail, beginning November 1, and ordered to pay the costs on a charge of carrying a firearm without a permit. The Italian-made pistol that was in his possession when arrested by borough police November 1 was ordered confiscated.

Charges of pointing and discharging a deadly weapon and carrying a deadly weapon, also brought against him by local police, were dropped. Ramos explained that he had been in the Dorsey-Stanton Legion Post when someone handed him the gun and that it went off, firing through the floor and he ran. He said he had no knowledge of where the gun came from nor had he any intention of firing it.

Borough Policeman Ray Breighner said police were called to the Legion home but on their arrival the man was not there, but the manager of the club pointed out his car, and its motor was running. Police waited nearby until Ramos arrived. When they followed it, a chase resulted. Ramos wrecked his car on Seminary Ridge.

Secretary of Defense McNamara's decision to close down the Army Reserve and beef up the National Guard may affect about 200 Adams countians and may effect the approximately \$70,000 to \$80,000 that the guard-reserve provides annually in pay to countians.

The Adams County Selective Service Board has 178 men of draft age in the county listed as members of the active Reserve or National Guard. In addition there are a number of countians who were in World War II and later, who are active in the Reserve.

There are seven officers and 147 enlisted men in the Army Reserve and National Guard units here. Both units are Howitzer batteries. In addition there are a number of men in various other active reserve units and National Guard units in York, Hanover, Harrisburg and elsewhere.

St. William Kuckendall, at the Army Reserve Training Center on the Fairfield Rd., this morning said the county's Reserve unit, Battery C, 3rd Battalion, 15th Artillery, 157th Brigade currently consists of four officers and 69 enlisted men, or slightly under its authorized strength of five officers and 72 enlisted men. The local Army Reserve unit, in existence since 1946, began as an infantry company, was switched to a Howitzer battery two years ago when the 79th Infantry Division of the Reserve, of which it had been part, was changed to the 157th Brigade.

Kuckendall said no word has been received here concerning the future of the battery or its training center, which was completed in January, 1961.

YEAR'S PROGRAM

Kuckendall said the unit holds a full day of training and two nights of training each month under command of Captain William H. Lutzer. It has received its training schedule for the coming year, providing for the unit to be at Camp Pickett, Va., for its summer training from July 17 to 31. Sgt. Kuckendall said that the value of the unit to the county, depending upon its numbers, rank of the men, etc., "varies between \$30,000 to \$40,000 a year, all told."

Howitzer Battery, Second Squadron, 104th Armored Cavalry, the local National Guard unit, commanded by Capt. James Orndorff, presently has three officers and 78 enlisted men. It is now allowed to expand to seven officers and 96 men and if it is allowed full strength, it would have seven officers and 103 men.

EXCELLENT RATING

Sgt. Earl Topper said the average National Guard pay per year "runs about \$40,000." The battery won an "excellent" rating in its annual inspector general's inspection held November 5. Sunday it held an examination for selected members of its own unit, G troop of Waynesboro, F troop of Chambersburg and E troop of Hanover, in MOS classifications. This coming weekend its men will hold a multiple drill starting at 1 o'clock Saturday and concluding Sunday evening with a buffet and Christmas party after the drill has ended. One of its members, Ronald Baker, is currently attending Officers Candidate School. It is scheduled to attend summer camp at Camp Pickett, Va., May 29 to June 12.

The future of the 104th Armored Cavalry was left in doubt in the

700 RIOTERS FACE CHARGES BY UNIVERSITY

BERKELEY, Calif. (AP) — More than 700 demonstrators today face mass arraignment in a community theater-turned-courtroom as the aftermath of an all-night protest sit-in at the University of California on Dec. 3.

The dispute is over student demands for more freedom on campus to advocate off-campus social and political activities without fear of university discipline. University regulations now permit advocacy at certain campus points, but call for university discipline of students convicted for off-campus actions such as demonstrations in which civil disobedience techniques are used.

RESISTED ARREST

The defendants are charged with trespassing, failure to disperse and resisting arrest. Some went limp when arrested and were dragged from Sproul Hall, the campus administration building, scene of the demonstrations. Arresting officers were acting under the direction of Gov. Edmund G. Brown.

Demonstrators included 590 students, about 50 teaching assistants and other university employees and about 130 nonstudents, including some wives of students.

They met Sunday night in the Berkeley Community Theater, scene of today's hearing, to map legal strategy with their 60 attorneys.

EXPLAINED CAUSE

The student fight, going on since September, is led by the campus Free Speech Movement, headed by Mario Savio, 22, a native of New York City. Last week Savio, a philosophy junior, and other FSM leaders visited universities in the East and Midwest and appeared on nationwide television explaining their cause.

The university's Academic Senate adopted resolutions last week calling for lifting restrictions and switching disciplinary control from the administration to the faculty. Two petitions containing 7,000 signatures of Berkeley citizens, university faculty, students and employees in support of the Academic Senate were circulating Sunday.

They will be presented to the university Board of Regents at their Friday meeting in Los Angeles. Regents have said they will act on the faculty resolutions, but several already have voiced disapproval.

The average U.S. dollar bill lasts nine months.

POTATO CHIP PLANT BURNS

YORK, Pa. (AP) — An estimated \$250,000 worth of damage, including \$100,000 in potatoes, resulted from a fire Sunday at a warehouse of the El-Gel Potato Chip Co. on the outskirts of York.

The roof of the 80-by-180-foot storehouse collapsed from the flames and the cinderblock walls, though remaining upright were damaged beyond repair. A company spokesman said some 4 million pounds of potatoes stored in the warehouse were destroyed.

He said present operation should not be curtailed because additional potatoes were stored elsewhere.

He said, however, that future operations could be hampered because the potato crop this year was not up to par and it may be difficult to replace those lost in the blaze.

El-Gel is one of the largest distributors of potato chips in the Middle Atlantic states area with a distribution radius of some 300 miles.

Hoffa was convicted six months later in Chicago of fraud in obtaining loans from the Teamsters' pension fund. An appeal on that conviction is pending.

that I was beaten July 15." That was the day the Republican National Convention nominated him for the White House.

CAMPAIGN OF FEAR

Goldwater said the whole campaign "was run on fear of me," and that fear was planted before he was nominated.

The Arizona senator said his Republican challengers painted "a caricature of Goldwater," depicting him as a trigger-happy man and a foe of the Social Security system.

"This thing started in the primaries — and, try as I would, it could not be erased," he said. "The only thing that I think might have been done could have been done by those in the Republican party who first started it," he said.

Goldwater blamed Romney and New York Gov. Nelson A. Rockefeller — "not Scranton so much because Scranton pitched in." The Pennsylvania governor campaigned for the national ticket.

CHOOSE ANOTHER

Goldwater said no Republican who was mentioned for the nomination during the primary days could have beaten Johnson. "I don't know of any other one that could have gotten as many states as I got," he said. Goldwater carried six.

Johnson, he said, refused to discuss the issues in his campaign — and used the full muscle of the federal government.

"It wasn't a case of the Republican party running against the Democratic party," he said. "It was the Republican party running against the federal government."

Goldwater said he does not think the party would choose him to run again for the White House. "I think, in all fairness, somebody else should have a go at it next time," he said.

announcement made by the Secretary of Defense. He at that time said the 28th Division of the National Guard would be retained. The 104th is not a part of any division but is designed to support a division. Officials here had always supposed it would be the 28th if the emergency ever rose.

The 104th has been classified as part of the "ready Reserve" and was scheduled as "next to go," during the Cuban crisis, Sgt. Topper said.

Seven of the countians are members of the 2090th Army Reserve school, located at Harrisburg with Colonel Edward J. Nowicki, Hillcrest Place, commander. The unit at one time contained a large number of Adams County men who have been officers during World War II, but most now have reached 20 years of service and have retired.

CUT TO 550,000

Secretary of Defense McNamara announced Saturday his plans to wipe out all the Army Reserve units and merge some with the National Guard. There are now 700,000 men in the two organizations, 400,000 in the Guard and 300,000 in the Reserve. McNamara said he intended a National Guard with about 550,000 men. McNamara's statements Saturday said:

1. The new force structure will consist exclusively of units "for which there is a military requirement, including combat and combat support units together with base mobilization base units such as training divisions and garrison detachments."

He said this will require a paid drill strength of about 550,000 men. 2. Five independent brigades will be added to the 11 now in the structure. These could be deployed either as full brigades or in association with other units.

3. The entire force would be included in the structure for which the Army procures equipment. As

Savings And Loan Meeting On Jan. 2

Shareholders of the Gettysburg Savings and Loan Association have been notified that their annual meeting will be held January 2 at 6 p.m. at the association's office, 145 Baltimore St., for the purpose of electing directors and transacting other business.

The following have been nominated for positions on the board of directors: Charles S. Black, Glenn Guise, William H. Pensyl, John E. Stahle, Clarence E. McClellan, Eugene R. Hartman, Kenneth W. Johns, Lee M. Hartman and Howard C. Kitzmiller.

Shareholders who cannot attend the annual meeting are given the opportunity to name proxies to cast their votes for them in the annual election.

As a result, equipment for two additional divisions and five additional brigades would be needed.

4. The Reserve and Guard units will merge under management of the National Guard.

5. The U. S. Army Reserve would consist "entirely of individuals rather than units and would provide individual trainees for the units at summer camp or upon mobilization."

6. The individual trainee program would be increased to the extent that improved operational readiness justified the additional cost.

7. Other actions needed to increase the readiness of units will be reviewed in the study.

McNamara said that Altes and Johnson had assured him they will give special consideration to several points, including "minimizing the impact on local communities and individuals by splitting units when feasible and necessary."

They also give special attention, McNamara said, to "providing equal opportunity to Reservists and Guardsmen in the manning of the units" of the reorganized force.

ONE HUNDRED YEARS AGO

Story Of A Quaker: A returned soldier who fought at the battle of Gettysburg, tells the following story about a Quaker. "A Quaker, who had never fired a gun in his life joined one of the Pennsylvania regiments in the battle of Gettysburg. When the order was given to fire, his musket refused to obey orders. Thinking he had too small a load, he said 'There won't go, hey? Well, I will give thee another dose,' and down went another load. He tried again, but it was no use, so he kept on loading and trying until he had seven cartridges down, when one of his comrades, on examination, found the tube obstructed and told the Quaker what to do. So following his advice, he soon put his gun in trim. By this time the order was given to fire and he did, at the same time turning two or three somersaults. The captain noticing this strange manoeuvre walked towards him at the same time picking up the musket. By this time the Quaker raised himself up, leaning on one elbow, and seeing the captain take up the gun, exclaimed, at the top of his voice 'I pray thee, Captain, touch it not; it will hurt thee. I have put seven loads in it. It will fire six times more, as sure as there is a God of Israel.'"

Winter is upon us in earnest. Snow fell here to the depth of nearly a foot on Friday night, affording good sleighing.

Hon. Edward Bates, Attorney general of the United States, under President Lincoln, has resigned his position, to take effect from January 1st, 1865. His advanced age and physical inability to discharge the arduous duties of the office are given as the reasons for the resignation. Hon. James Speed, of Kentucky, has been appointed by the President to fill the vacancy.

Printing paper is still going up and as a consequence publishers are raising their prices. The Chambersburg papers, after the first of January, will be published at \$2.50 per annum, in advance.

"The Fifty First Congress is to be congratulated on its choice for Chief Clerk, Hon. Ed. McPherson of Adams County. His long experience in the House, having been there since 1850, first as Congressman, and since then, with the exception of the Cleveland Administration, as Clerk, gives him high prestige among the members regardless of party bias. There is no man in the country today that is so well acquainted with its political history as Mr. McPherson and his correct knowledge of affairs makes him a standard authority on all questions of doubt or uncertainty." Shippensburg News. "The House of Representatives has done a very wise thing in electing Mr. Edward McPherson as Clerk of the House. He is the best man in the United States for the position." New York Independent.

EFFECTIVENESS IN INTELLIGENCE

Intelligent people make lots of mistakes. They possibly make more mistakes than anybody else. But they pay less attention to them. Because intelligence is just ordinary, everyday "garden variety" — sense!

So that the most efficient and effective people on this earth are the intelligent people.

Now, the most effective people are not necessarily the most educated people or the ones who have the most degrees and titles to their names. Lincoln didn't have any degrees or titles — yet he was one of the deepest thinkers that America ever produced — if not the whole world.

The great trouble with "highly educated" people is this: That you understand so little that they say, write, or do. The only thing about them that you can understand is that you don't understand them.

A child is a most intelligent proposition. A god is extremely intelligent. Try to abuse one, once, and you will quickly understand. Also try being kind to one, and you will just as quickly get the point of this remark.

For intelligence is a living trait. Every breathing thing has it. It's only in grade of intelligence that human beings differ from the lower animals. The good God gave no humans, intelligence — plus soul; and that is why a man is able to build a city for the whole world to walk through, whereas the lower animal thinks only of himself, and his kind.

Always remember that effectiveness is intelligence, not "higher education," not extensive travel, not wide acquaintanceship, necessarily. So, you see, there is encouragement here for us all — whether of high or low estate.

We can be effective and helpful and render great service simply by using common sense — which is being very intelligent.

PRACTICE AND PREACHMENT

"Ah," says my doctor with a frown,
"You heed me not at all,
You boldly belt your victuals down,
And scorn the portion small.
I sign the apple pie 'beware,'
'Touch not,' I say of cake,
Lest you forgo the bill of fare
You'll die of stomach ache."
Yet when my doctor sups with me.

No sign of fear he shows;
There is no grub that I can see
He cautiously foregoes.
About his health he never broods,
But swallows fowl and meat,
And all the other tempting foods
He says I mustn't eat.

I watch him take a double share
Of French potatoes fried,
And gulp down the chocolate éclair.

Which are to me denied.
Good trencherman, with fork and knife,
I wonder can it be
My doctor takes to save my life
What poison were for me?

Buffalo Will Face Patriots In Big Battle

By BOB GREEN
Associated Press Sports Writer

The Buffalo Bills are one small step closer to the American Football League Eastern Division title, but there's one huge hurdle left—the Boston Patriots.

The Bills, who would have remained in the running regardless of the outcome of their game with Denver, improved their position slightly Sunday with a 30-19 victory.

That gives them an 11-3 record to Boston's 10-2-1. By beating Denver the Bills now need only a tie with the Patriots in the final game of the regular season Sunday to clinch the title and a spot in the championship game against the San Diego Chargers.

5-GAME STREAK

The Patriots, idle last week, beat Buffalo 36-28 earlier this season and now have a five-game winning streak going.

Buffalo quarterback Daryle Lamonica was the prime mover in the Bills' triumph over Denver, passing for one touchdown and running for two.

Kansas City shocked San Diego, which had already clinched in the West, 49-6, and Houston broke a nine-game losing string 33-17 over New York in the only other AFL games scheduled.

Lamonica got the Bills started with a 46-yard touchdown pass to Ed Rutkowski, added another six points with a 23-yard scamper and clinched it with a one-yard plunge after the Broncos had pulled within four points at 23-19.

Veteran Len Dawson put on a spectacular passing display for the Chiefs in the rout of San Diego, completing 17 of 28—including his first 11—for 220 yards.

Bullets Fold In Second Half To Bow To Mules; Penn State Here Tuesday

A two-handed layup of a rebound by Gary Spengler with two seconds to go in the contest provided just enough margin for the Muhlenberg College basketball team to pull a 72-70 upset win over Gettysburg's Bullets, Saturday evening at Allentown before a large crowd.

The Mules, who in their first three contests of the young season put on strong second half finishes, did it again Saturday. Gettysburg's shooting and board work during the first half was a picture to watch. Muhlenberg was held to but one shot every time it fired away at the basket while the Bullets picked off rebounds right and left under both boards. Gettysburg coasted to a 29-17 lead with 4:43 remaining in the first half and after a heavy bombardment of Mule shots, still managed to lead by a 35-29 count at intermission.

SHOOTING SLUMP

The situation took such a sharp turn in the second half, it was hard to believe that the same two teams were playing. Gettysburg went from excellent to poor and the Mules went vice-versa. The Bullets, known to go into shooting slumps throughout a ball game, went into one of their worst of all time. During the first four minutes of the second half, Chris Sims' jumper from the key was the only goal. Then to make things worse, Sims drove in for another goal at the 9:15 mark and only one other two-pointer followed throughout the rest of the contest. Sophomore Ray Faczan dropped one in on a drive up the middle at the 6:03 mark which meant Gettysburg did not score a goal for over the last six minutes of the contest.

Midway through the second 20 minutes, Muhlenberg started its assault on the Bullet lead. Ken Butz and Bill Jones were instrumental in getting things started, but each of the five players turned in their bit. At 7:15 Jones came off with a steal and drove for a layup to knot the count at 60-60. John Linnet then followed with another drive up the middle to put Muhlenberg into its first lead of the game. One-and-one foul shots enabled the Bullets to break 64-64 and 66-66 ties to take their last advantage at 2:52 on Jim Ruck's pair of charity tosses.

Butz knotted things at 68-68 with two minutes remaining. The 6'11" front court man then landed two free throws to make it 70-68 with 45 seconds remaining. The foul sent Ruck out with his fifth personal of the contest. Dave Yates was then fouled with 20 seconds to go and made good on two shots to make it 70-70.

Muhlenberg then worked the ball down court where Butz took a jumper from around the key and missed. However, Spengler, who stands only 5'7", ripped through the defense took the rebound and laid it up for the game-winning bucket.

FINE PERFORMANCES

Statistically Gettysburg turned in a tremendous performance which would have won most games. However, the mental lapses down on the floor are shown only on the scoreboard. The Bullets landed 20 of 24 fouls and 25 of 54 field shots. They also outscored the Mules 41-24 with "Chuck" Richardson coming down with 12 Sims and George Strouse paced the Bullet attack with 22 and 20 tallies, respectively. Sims hit on nine of 15 field goals while Strouse landed only eight of his 19 tosses from the floor. Butz paced the winners with 19 points.

The Bullet Freshmen were idle Saturday when Muhlenberg authorities cancelled the scheduled preliminary contest.

Gettysburg, 2-2 on the season.

G-BURG LOSES MAT CONTEST TO VIRGINIA

The University of Virginia captured the last three events of the afternoon to come from behind and down the Gettysburg College wrestlers 19-10 Saturday in the physical education building.

Scott Higgins started things for Gettysburg when he defeated Pat McCarthy 6-2 in the 147-pound class to cut an early Virginia lead to 8-5. Then Bullet ace, Joe Bavaro, working the 157-pound event, gave the capacity crowd what they came to see. Bavaro recorded his third straight pin of the season by slamming Dick Tucker to the mats in 1:44 of the first period. That gave the home forces a 10-8 margin but that was as far as Gettysburg was destined to go.

Toby Mullin and Joe Egresitz dropped their 167 and heavyweight bouts by decisions and Jeff and Alwinck were pinned in the 177 class to give the Virginians the decisive margin of victory.

LONG LAYOFF

The loss was the first of the 1964-65 season for Coach Ray Reider's squad. Gettysburg will take time out for the Christmas break and will return to action on January 6 when it tangles with Dickinson in Carlisle.

The results:
123 — Doug Wight, G, drew with Don Ruth, 4-4; 130 — Bob Rhoads, V, decided John Wallach, 3-2; 137 — Bill Patten, V, decided Jake Seitz, 5-0; 147 — Scott Higgins, G, decided Pat McCarthy, 6-2; 157 — Joe Bavaro, G, pinned Dick Tucker, 1-44; 167 — Gary Stewart, V, decided Toby Mullin, 6-4; 177 — Alex Weiss, V, pinned Jeff Alwinck, 3-49; heavyweight — Bob Bokelan, V, decided Joe Egresitz, 5-4.

place in the NHL race, one point behind the streaking Chicago Black Hawks and three behind the third-place Leafs.

Denis DeJordy, Chicago's rookie goaltender, recorded his first NHL shutout as the Hawks whipped Detroit 5-0 in a penalty-packed game for their fourth straight victory.

The Montreal Canadiens, meanwhile, struck for four goals in the final period and overtook Boston 4-3, increasing their league lead to three points over the sagging Red Wings.

Bakken Boots Field Goal With 19 Seconds To Play And Cards Defeat Eagles

By MIKE RECHT
Associated Press Sports Writer
ST. LOUIS (AP) — The St. Louis Cardinals, their second-place money already safely tucked away, used Charley Johnson's passing, Jim Bakken's kicking and a great deal of pride Sunday to cut in half Philadelphia's cash intake.

Johnson threw for 371 yards and two touchdowns and Bakken kicked five field goals—the last from 22 yards away with 19 seconds remaining — tying a National Football League record, as the Cardinals beat the Eagles, 36-34.

"Before the game, I didn't think we'd win," St. Louis Coach Wally Lemm said. "I thought the guys would have too much of a letdown."

GET SECOND SPOT

He was talking about Cleveland's 52-20 victory over New York the day before which clinched the Eastern Division crown for the Browns. A Cleveland defeat and a St. Louis victory would have given the Cardinals the title.

As it was, St. Louis was settled in second place.

"But the players talked about showing everybody they had pride," Lemm said. "In a game such as we had, it had to be played largely on pride."

For the Eagles, it meant much more. They were tied with the Washington Redskins for third place with 6-7 records going into Sunday's play. The third place teams in each division get a cut of the championship game money, but Washington and the Eagles lost and will have to share the Eastern Division prize.

The game began as a wild and woolly affair of fumbles, interception and long yardage passes. The teams totaled 57 points in the first half, including a NFL record of 47 in the second period. St. Louis led at the half, 30-27.

Asked what he was thinking as the teams piled up the score in the second quarter, Lemm said "They were going so fast I didn't have time to have any thoughts. But they sure calmed down in the second half. In fact, we almost ran out of points."

Browns, Colts, Easy Winners In Final Grid Games, To Face Each Other In Title Scrap

By MIKE RATHET
Associated Press Sports Writer
The Baltimore Colts vs. the Cleveland Browns for the National Football League championship. Johnny Unitas vs. Jim Brown.

The ideal test — Passing vs. Rushing.

But it's not that simple. Despite the fact that Unitas and Brown are the acknowledged leaders in their respective phases of the game each team has multiple offensive weapons and proved it in final regular season games.

TWO EASYROMP

The Browns clinched their first Eastern Division title since 1957 by crushing the New York Giants 52-20 as Frank Ryan fired five touchdown passes. Lenny Moore and Ray Berry played key roles for the Western Division champion Colts Sunday, setting records in a 45-17 romp over Washington.

Taking the three standouts from each team in those games reveals some intriguing matchups for the championship game at Cleveland, Dec. 27.

PASSING

Unitas — Passed for two touchdowns and wound up the season with 158 completions, a 51 per cent accuracy mark 2,827 yards gained and 19 TD's. He had six passes intercepted.

Ryan — Finished the season with 174 completions, a 52 per cent mark, 2,404 yards and 25 TD's. He had 19 passes stolen.

RUSHING

Moore — Scored two touchdowns and brought his total to 20, breaking the record set by Jim Taylor of Green Bay in 1962. Gained 584 yards during the season for a 3.7 average.

Brown — Scored one touchdown for 105 during his career, tying the record held by Green Bay's Don Hutson. Gained 1,446 yards during the season for a 5.2 average.

RECEIVING

Berry — Caught five passes for a career total of 506 — three more than the record held by Bill Howton of Green Bay and Dallas. Has caught 43 passes this year for 663 yards and six TD's.

Paul Warfield — Caught five passes for total of 52 and 920 yards, scoring once for a total of nine touchdowns. Warfield is the first Brown since Mac Speedie in 1952 to catch more than 50 passes.

In addition, the teams produced two of the league's top three-point scorers with Moore winning the title with 120 points to 115 for Cleveland's Lou Groza and Jim Bakken of St. Louis.

CARDS EDGE EAGLES

The Cardinals, who had a shot at the Eastern title until the Browns whipped New York, edged Philadelphia 36-34 on Bakken's fifth field goal — a 19-yarder with 22 seconds remaining. St. Louis will meet Green Bay in the Playoff Bowl at Miami, Fla., Jan. 3.

The Packers tied Los Angeles 24-24 and deadlocked Minnesota for second place in the West but won the Playoff Bowl berth because they outscored the Vi-

sion profits.

For the Eagles, the defeat was particularly a bitter one because they had the game apparently wrapped up with just over a minute remaining.

Norm Sneed, who ran for one touchdown and threw long yardage for three more, passed Philadelphia to a touchdown and a 34-33 lead with four minutes left. When Bakken missed a 53-yard field goal attempt, the Eagles had the ball on their 20.

"I thought we were finished after I missed that kick," Bakken said, "unless there was a fumble or interception."

And that's what happened. The Eagles tried to run out the clock, but Ollie Matson fumbled and Don Brumm recovered for the Cardinals on the Eagles 22, setting up Bakken's winning kick.

MANY FUMBLES

"Ollie didn't have complete control of the ball," said a disappointed Joe Kuharich, finishing his first season as coach of the Eagles. "It looked as though he came in too early. He may have been in motion."

The game began as a wild and woolly affair of fumbles, interception and long yardage passes. The teams totaled 57 points in the first half, including a NFL record of 47 in the second period. St. Louis led at the half, 30-27.

Asked what he was thinking as the teams piled up the score in the second quarter, Lemm said "They were going so fast I didn't have time to have any thoughts. But they sure calmed down in the second half. In fact, we almost ran out of points."

RECORDS FALL AS SWIMMERS SINK W AND L

The Gettysburg College swimming team rolled to its third straight victory of the season by walloping Washington and Lee 55-40 here Saturday afternoon before a capacity crowd.

Gettysburg's head tutor, Curt Coull, saw his squad break five school records, tie another and smash a pool mark as the powerful Bullets lost little time in sinking their strong southern opponents, Rudy Socey, Senior diving are, turned in another outstanding job as once again he broke both the school and pool diving marks with 84.10 points, bettering his own 80.60 set earlier in the week against St. Joseph's.

The 400-yard medley relay team of Norm Tinanoff, Al Guild, Gordie Rowe and Clay Wilcox broke the school mark in the opening event, being clocked in 4:05.8. Craig Van Tatenhove followed by doing a 1:59 flat to record a new record in the 200-yard freestyle. Pete Wilson came right along to tie his own record in the 50-yard dash. He had set the new mark in the St. Joseph's meet.

Tinanoff, a Sophomore backstroke artist, surprised the large crowd by slicing out into a big lead in that event and kept such a strong pace that he not only won but also set a new Bullet time of 2:42.2.

The final record of the day came in the last event when the 400-yard freestyle relay team sped home in 3:35.4 minutes taking four seconds off the old record. The winning team was composed of Wilson, Socey, Bob Nix and Van Tatenhove.

GREGG WINS PAIR

The afternoon's only double winner was Gettysburg's butterfly specialist, Don Gregg. Gregg won the 200 individual medley in 2:20.4 and came back later to cop the 200-butterfly in 2:22.8 minutes.

Gettysburg, 3-0 on the season, will go into its stiffest test of the entire season when it battles Bucknell, defending NCAA small college champions, Tuesday afternoon in Lewisburg. The Bullet frosh will make their debut in the preliminary meet.

The results:
400 medley relay: 1, Gettysburg (Tinanoff, Guild, Rowe, Wilcox), 4:05.8.

200 freestyle: 1, Van Tatenhove, G; 2, Edwards, WL; 3, Nix, G. 1:59.0.

50 freestyle: 1, Wilson, G; 2, Socey, G; 3, Chase, WL; 23.2.

SANTA and the SINGING TURTLE

Synopsis: The turtle and the Snow-man put on their magic shoes and leave for Fairyland. The Prince's shoes have disappeared. He finds them in the manwitch's hands.

CHAPTER NINE WOMP CASTS A SPELL

Prince Chad stared at Womp to astonishment.

"How did you get here?" he gasped.

The manwitch smiled, "I have followed you from the Kingdom of Razenpie and a long way it's been, too."

"By whose order?" demanded the Prince.

"By order of your uncle, my master, King Kerchew who wants it arranged that you should not return to the Kingdom."

"But — why?"

"CAN'T BE CROWNED"

"Silly boy! Because if you don't come back you can't be crowned king on Christmas Day and your uncle will be king forever."

The Prince knew that King Kerchew was not a good king, but he had never imagined that he was truly evil. Now he knew and he was afraid. His knees shook and a cold shiver ran down his back. But he was a prince, born to be king, and so he said bravely, "You cannot keep me from returning to my kingdom to save my people from my wicked uncle."

"Perhaps I can't," smiled Womp. He began to walk idly in a circle around the Prince.

As he walked he carelessly drew a line in the snow with a stick he carried in his hand. When he had finished he threw away the stick and said, "And

The Prince was a prisoner inside the circle.

perhaps I can, for I do not think you can ever break out of the magic circle I have drawn in the snow."

STOPPED AT CIRCLE

The Prince rushed towards him but when he came to the line of the circle he was stopped as surely as if he stood on the edge of a cliff. Frantically he raced around the circle. He could not cross the line. An invisible curtain surrounded him and kept him prisoner.

Tears of rage stung his eyes. "I'll get out!" he swore. "My friends will get me out!"

CLINCHES FISTS

"Your friends the turtle and the Snowman?" scoffed Womp. "I think it's hardly likely they will ever see you again."

The prince clenched his fists and cried, "When Santa Claus comes to Razenpie, the people will know it is Christmas and they will make my uncle leave the throne whether I am there or not. That is the law of the land!"

For the first time the smile left Womp's face. "That is true. I had not thought of that," he muttered. He scratched his head and walked to and fro swinging the magic shoes from his hands.

DONS MAGIC SHOES

"But then," he cried, suddenly smiling again. "Suppose Christmas never comes to Razenpie!" He sat on the ground and began to pull the Prince's magic shoes onto his own feet.

"What do you mean?" demanded the Prince, trying to keep the quaver from his voice.

"I shall go to the Musical Festival in Fairyland," said Womp. There I shall arrange things so that Santa Claus will be unable to bring Christmas to Razenpie or any other kingdom in the world.

POWERFUL MAGIC

"You wouldn't dare to touch Santa Claus! He has magic more powerful than yours!"

"I didn't say I would touch him," replied Womp, lacing up the shoes. "I shall merely put him to sleep. A very long sleep lasting, perhaps, a hundred years."

He laughed shortly and stood up. He took three short steps, waved his hand airily, and swish! he vanished into the forest, leaving the Prince imprisoned in the magic circle.

Tomorrow: Santa in Fairyland.

M'NAMARA TO GIVE PLAN FOR RESERVE SHIFT

By ELTON C. FAY
AP Military Writer

WASHINGTON (AP) — Secretary of Defense Robert S. McNamara announced Saturday his plan to carve up the Army Reserve and put the leftover pieces in the National Guard.

But even before the Pentagon boss' scheduled late morning news conference, protests were heard. For although the purpose of McNamara's session with the press was not disclosed officially, there was no doubt the result would be the effective end of the 300,000-man Organized Army Reserve.

Those units which haven't passed McNamara's muster for efficiency, readiness and effectiveness would disappear from the rolls. About half the Army reservists would be shifted to the National Guard, expanding its strength from 400,000 to about 550,000 and making it the sole ready backup for the regular Army's 16 divisions.

150,000 IN POOL

The other 150,000 reservists would be put in a general military manpower pool of available reservists who could be called up, individually and in an emergency, to bring units up to full strength.

This second and more drastic streamlining of the Reserve in two years is a sore spot with the Reserve Officers Association (ROA). The association wired President Johnson Friday to urge a full investigation and public hearings on the proposal. The plan has implications which "threaten real national danger," the ROA said.

In Little Rock, Ark., Maj. Gen. Maupin Cummings, commander of the 8,000-man 39th National Guard Division, said:

Soldier Wounded By Machine Gun

FT. HOOD, Tex. (AP) — Sgt. John W. Tellep, 22, of Clifford, Pa., has been seriously wounded by fragments of a .50 caliber machinegun bullet in a training accident at Ft. Hood.

According to the Army accident report, Tellep was adjusting a machine gun being fired Thursday when a wrench he was holding was struck by the bullet. Fragments of the bullet stuck him in the right side and arm.

He was evacuated by air to Brooke General Hospital at San Antonio, Tex., where his right arm was amputated three inches below the elbow. His condition was described today as "not critical."

An Army spokesman said an investigation of the accident will be conducted.

POPE TO GIVE YULE MESSAGE DECEMBER 22

VATICAN CITY (AP) — The Vatican press office announced Saturday that Pope Paul VI will deliver his annual Christmas message to the world at 8 p.m. (2 p.m. EST) Dec. 22.

The press office also disclosed he will begin the holiday at midnight, celebrating Mass in the Sistine Chapel for the diplomatic corps accredited to the Vatican. Later he will go to the parish church of St. Raphael the Archangel in a workers' section of Rome and say a second Christmas Mass.

He will celebrate a third Mass outdoors in St. Peter's Square for tens of thousands of tourists and pilgrims expected in Rome for the year-end holidays. Should weather be bad, the Mass will be celebrated inside the Basilica of St. Peter.

Following this Mass, at noon (6 a.m. EST), he will give his traditional holiday blessing from the main basilica balcony.

Big Engine Given Successful Test

CANOGA PARK, Calif. (AP) — A 200,000-pound thrust J2 rocket engine designed to give American lunar explorers a final boost into space, has successfully undergone a restart test here.

The hydrogen-fueled engine, which will ultimately function in a cluster of five, ran for 165 seconds Friday, was shut off for 75 minutes, then restarted to run an additional 310 seconds.

The sequence follows the pattern of its planned use in space, where it will power the second stage of the Apollo moon launch vehicle.

GIARDELLO TO DEFEND RING TITLE TONIGHT

By MURRAY ROSE
Associated Press Sports Writer
PHILADELPHIA (AP)—Midweight champion Joey Giardello gambles on his ability to lure paying customers tonight when he takes on dangerous Rubin (Hurricane) Carter in a 15-round title fight at Convention Hall.

The 34-year-old champion from nearby Cherry Hill, N.J., is the 7-5 betting choice over the second-ranking contender from Patterson, N.J. Starting time is 10 p.m., EST.

There will be no national television. It will be seen on home television or in theaters and arenas in several cities as the result of some late sales.

EYE BIG GATE

But if Joey is to take home a fat purse it will have to be mainly on his gate-pulling attraction in his home-town area. Promoter Jimmy Riggio optimistically forecasts a crowd of 9,000 or 10,000 and a gross gate of \$150,000. If he takes in from \$50,000 upwards it will prove boxing isn't dead yet.

Giardello won the 160-pound division title with an upset 15-round decision over Nigeria's Dick Tiger at Atlantic City, N.J., Dec. 7, 1963. He has had only two non-title fights since, outpointing Argentine's Rocky Rivero twice.

WON 7 STRAIGHT

He has won seven straight over a 25-month span, the most victories he has strung together since 1958.

A veteran of 16 years of pro battling, Giardello has a 95-22-11 won-lost-draw record, including 32 knockouts. He has been stopped only three times, the last by Spider Webb in the seventh round six years ago. All three were technical knockouts.

Carter, 27, started boxing in the Army, and has a 20-4 record in three years of pro battling. He has scored 13 knockouts and been stopped once—by Joe Gonzalez in six last year.

SNEAD, MATE SPLIT PURSE

SEBRING, Fla. (AP) — At the age of 52, Sam Snead still wins golf tournaments. As Mike Souhak once said, Sam will still be winning them — sore feet and all — when he reaches 60.

Sunday, the West Virginia mountaineer won another one. But for his latest trip to the bank, Sam had to give credit to a young woman.

Shirley Englehorn, Snead's partner in the \$40,000 Scotch Mixed Foursomes Tournament, made Sam even richer by using a sand wedge and a putter to bag a couple of eagles.

7 UNDER PAR

The shots gave the team a seven-under-par 65 for the final round and a 72-hole total of 272, 16-under-par for the 6,723-yard Harder Hall course.

If Shirley had missed either one, they might not have withstood the challenge of Dow Finsterwald and Marlene Hagge, who shot an identical 65 to finish one stroke behind at 273.

The winners split \$5,600 first prize.

Finsterwald and Marlene divided \$3,800 for second. Dave Ragan and Mickey Wright split \$3,200 for a third-place finish at 277.

ROCHESTER WINS ITS 7TH IN ROW SUNDAY

By THE ASSOCIATED PRESS
The Rochester Americans are on a seven-game victory binge — latest in a series of American Hockey League streaks that are opening up both division races.

The Americans whipped Quebec 5-1 Sunday night for No. 7 in a row and held their nine-point bulge over Buffalo in the Western Division. The Bisons edged Hershey, which has lost three straight after an unbeaten string of 13 games, 5-4; Pittsburgh topped Providence 5-2 and Baltimore nipped Springfield 4-3 in other games.

Despite the loss to Rochester, Quebec leads Hershey by nine points in the East — due mainly to the Aces' 10-game winning string at the outset of the season.

Stan Smrke led the Americans' attack with a pair of goals and Gerry Ehman, Dick Gamble and Don Cherry added on apiece. Red Berenson scored for Quebec in the opening period but Rochester goalie Gerry Cheevers blanked the high-scoring Aces thereafter.

Buffalo took a 2-1 lead early in the second period, Len Hunde and Billy Dea scoring 30 seconds apart, and the Bisons were in command from then on. Lunde had another goal and an assist for the winners.

Art Starton and Oscar Gaudet scored the other Buffalo goals. Murray Balfour had a pair of tallies for Hershey.

HITS FOR TWO

Ted Hampton hit for two third-period goals and Claude Laforte added an insurance marker as Pittsburgh completed a weekend sweep of the Reds. The Hornets romped 7-1 at Pittsburgh Saturday night.

Goalie Bob Champoux was credited with an assist on Laforte's goal. He cleared the puck to defenseman Warren Godfrey, who set up Laforte.

Dick Meissner, whose hat trick helped Baltimore outscore Hershey 7-5 Saturday night, fired two more goals in the Clippers' victory over Springfield. Dave Creighton also scored twice for Baltimore, which climbed past the Indians into third place in the East.

Buffalo shut out Cleveland 1-0 and Rochester clipped Springfield 3-1 in Saturday's other games.

LAKERS WIN ON FREE TOSS

By THE ASSOCIATED PRESS
Elgin Baylor returned to the Los Angeles Lakers line-up Sunday night and for awhile it looked like he was all Coach Fred Schaus' club would need to defeat the Detroit Pistons. As it turned out, Jerry West was the man who made the difference.

West's two free throws in the final 30 seconds gave the Lakers a 116-115 victory over the Pistons and extended Los Angeles' Western Division lead to 1 1/2 games over idle St. Louis.

In the only other NBA game scheduled Sunday, Philadelphia snapped a two-game New York Knickerbocker winning streak with a 121-115 victory on a neutral court in Syracuse.

Baylor, who had missed three games with a leg injury, scored 35 points and had 26 rebounds pacing the Laker victory.

CLEMENTE IS BEST BATTER IN B.B. LEAGUE

CINCINNATI (AP) — Latin America has good reason to be proud of its top ball players today.

Roberto Clemente of Pittsburgh, a Puerto Rican, and Cuban Tony Oliva won major-league batting titles last season. Clemente was officially crowned Saturday when the final National League averages were released.

They showed that Clemente led with a .339 mark in capturing the title for the second time. The 30-year-old outfielder also finished first with .351 in 1961.

CARTY IS SECOND

Rookie Rico Carty of Milwaukee was second in the 1964 batting competition with .330. He was followed by teammates Hank Aaron .328 and Joe Torre .321.

Willie Mays of San Francisco was the home-run king with 47. Ken Boyer of the St. Louis Cardinals, the circuit's most-valuable player, led in runs batted in with 119.

Richie Allen, Philadelphia's rookie third baseman, was No. 1 in runs scored, 125.

Oliva, Minnesota's rookie outfielder, was named the American League's batting champion last week. He hit .323.

EX-CHAMPION WINS ON KAYO

SAN JUAN, P.R. (AP)—Floyd Patterson, two-time heavy-weight champion of the world, is a quiet, soft-spoken man not given to making predictions.

But he left no doubt of his intentions after a convincing sixth-round knockout of former pro football player Charlie Powell Saturday night.

"I'm on the road back," Patterson said.

He said he planned to take a break until Friday, when he will resume preparations for a 12-round bout with Canadian George Chuvalo Jan. 29. The fight is billed as an elimination leading to a title bout, World Boxing Association version.

The victory was Patterson's third straight since he suffered two straight one-round knockouts at the hands of Sonny Liston. His other victories, both in Sweden, included a knockout of Italian Santo Amonti and a decision over Eddie Machen.

A Lovelier You

By MARY SUE MILLER
PETAL LIPS. There's many a slip 'twixt lipsticks and lips. For instance, a lipstick may look pretty as a rose petal in the case.

Then, on your lips it fades and dries.

Why should it happen? This and most lipstick problems are individual matters. What suits one woman plays another false. Let's pin down the common problems:

Does your lipstick go on smoothly and stay put? If not, you need one with a creamier base and translucent color. So formulated, a lipstick slips on the color in a film that keeps inside the lipline.

Does your lipstick flake soon after application? No lipstick stays smooth, unless the lips beneath are smooth. Yours will have a petal texture when you always apply lip pomade at bedtime. If your lips are now scuffed or lined, compress warm skin oil several times weekly. Also use a medicated lipstick. Such formulas combine the make-up and treatment jobs.

Your lipstick fades or changes color? It will fade to nothingness, if you habitually bite or wet your lips. If you apply coat upon coat, the color cannot hold.

Are the shades you use flattering as can be? Not when they pale or muddy your skin. Clear, medium shades are the easiest to wear.

Do you draw a clean lipline? You need a brush or lip pencil to do it. Lip-shaped lipsticks with a guide edge also make a neat finish. The holiday party kind!

GRID FUTURE BEFORE BOARD

ANNAPOLIS, Md. (AP) — Coach Wayne Hardin's football future at Navy may be decided today at a meeting of the athletic control board.

There has been doubt about the status of the 37-year-old Hardin since Friday, when reports started circulating that he had already been fired or had resigned.

The board, composed of high-ranking naval officers, annually acts on coaches' contracts. The contracts are subject to renegotiation each year, although they may not have expired.

In the case of Hardin, he has four years to go on a five-year pact. It reportedly pays him \$18,000 a year.

The Associated Press has learned reliably that Hardin was told last Monday that he would be fired and that his administrative assistant, Doug Scovill, would succeed him.

ROMNEY SAYS GOP CHAIRMAN "ON WAY OUT"

By CARL P. LEUBSDORF
WASHINGTON (AP)—Michigan Gov. George Romney predicts Dean Burch is on the way out, but the embattled national chairman is preparing his plea to Republican National Committee members to keep him in the \$30,000-a-year post.

Romney conferred Friday with both former President Dwight D. Eisenhower and with Burch but declined to say what was discussed at either meeting. He had breakfast with Eisenhower at an undisclosed location and met in late afternoon with Burch at GOP headquarters here.

At a Capitol news conference, Romney said he is more certain than ever Burch will be ousted when the question comes up at the national committee meeting Jan. 22-23 in Chicago.

WRITES LETTER
Burch's letter, giving his views on party issues and the reasons why he feels he should be retained as national chairman, is expected to be mailed Monday to the 132 members of the committee.

An Associated Press survey of the committee showed Friday that most members were waiting to hear what Burch had to say before committing themselves on whether they would favor his retention.

Romney, at his news conference, referred to the statement issued last weekend by 18 GOP governors and governors-elect after a meeting in Denver. It called for major changes in the national committee.

"We need a chairman who is objective, and who makes the party inclusive rather than exclusive," he said. "This calls for a change as the governors meeting indicated."

Burch was a top aide to defeated Republican presidential nominee Barry Goldwater before last summer's GOP national convention. He was elected national chairman on Goldwater's recommendation.

ANTI-GOLDWATER
Burch has said that those seeking to oust him are really trying to throw Goldwater out of the party. But Romney said he disagrees with this interpretation.

Meanwhile, a prominent House Republican, Michigan Rep. Gerald Ford Jr., lined up behind the idea that Burch must demonstrate he has a clear majority of the national committee behind him.

Ford, chairman of the House Republican conference, said he thought Burch should be removed unless he has support from at least 60 per cent of the national committee.

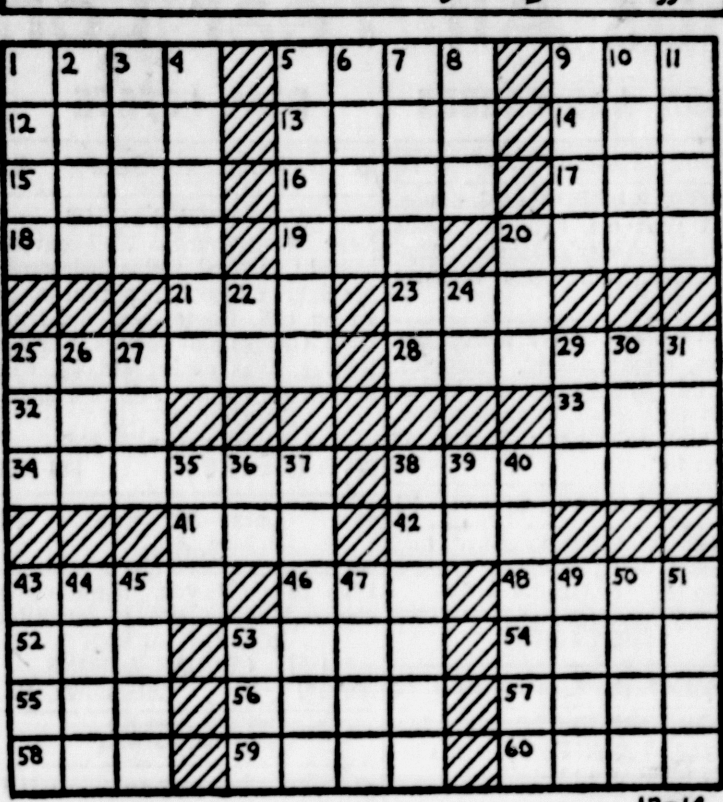

Earlier this week, Eisenhower, Goldwater and former Vice President Richard M. Nixon agreed at a Republican "summit" meeting that Burch should have a mandate from the party, not just a simple majority, if he is to stay.

IKE STATEMENT
Meanwhile, an aide to Eisenhower said the former president has been thinking along the lines of a two-man leadership for the party.

Eisenhower's office in Gettysburg, Pa., said he had suggested in recent discussions with party leaders that the national chairman, who would deal with party organizational matters, be complemented by a co-equal party spokesman on policy matters.

The New York Times said Friday that Eisenhower had mentioned the possibility of a two-man team consisting of

STATE READIES DATA TO MEET ROADS' PROBE

HARRISBURG (AP)—A high Scranton Administration official disclosed over the weekend the administration is gathering material to use in any forthcoming legislative investigation of the Highways Department.

"Our office is doing extensive research into the highway program under previous democratic administrations, particularly the administration of Gov. George Leader," said William Keisling, assistant to Gov. Scranton.

"The Leader Administration highways' program was the subject of considerable criticism by the state and national press. We are resurrecting all of that material, and we will most certainly make it a part of the record if there is any Highway Department inquiry in the coming session of the legislature."

THREATENS PROBE
The new Democratic majority in the State House of Representatives has threatened to inaugurate an investigation into the department operation these past two years.

The Philadelphia Inquirer reported Sunday that former House Speaker W. Stuart Helm was being considered for appointment as a special assistant to the secretary of highways, concentrating on legislative affairs.

The paper said it was possible that if Helm were appointed to this post, his first task would be to collect a defense for any investigation of the department.

This specific possibility was discounted by one high administration source. However, the official emphasized:

WILL GET PLACE
"I'm sure Helm will have a place in state government because of the regard the Governor has for him."

Helm by-passed an opportunity to run for the House again when he became the unsuccessful Republican candidate for auditor general in the November election.

Helm said, "I don't know anything about it," when asked for comment on the reports.
